23	\$168.00
24	\$172.00
25	\$176.00
>25	\$ +4.00/head

These prices can change based on the condition of the sheep and working conditions. I also charge for fuel for the round trip from wherever I am coming, on the basis of 15 miles/gallon and the current cost of fuel.

Sheep must be perfectly dry for shearing and must be penned up in a crowded pen before my arrival for easy catching and to soften the lanolin.

Please have electricity and a broom ready.

Last revised March 7, 2017. Call ahead for current fees.
